Tuesday sessions on: June 20th - June 27th - July 25th and August 1st

Thursday Sessions on: June 22nd - June 29th - July 27th and August 3rd

Explore Music! is an exciting new summer program at Kingwood Township School for children entering Pre-school through second grade. In this 4-week program students explore a variety of musical instruments from a creative perspective.

With Mr. White's guidance, students will create original music on percussion and string instruments, keyboards and the iPad. The aim of this program is not to provide students with facility on a specific instrument, but rather to foster musical creativity and confidence.

Students enrolled in *Explore Music!* will participate in (4) 30 minute sessions scheduled at mutually agreed upon time.

This program is open to all Kingwood students.

Please contact Mr. White with any questions. iwhite@kingwoodschool.org
