### **Reports**

**Recycling Update - Volunteer for Saturday, February 9<sup>th</sup>, 2013**

Sandra McNicol explained a meeting which was held at the municipal building to discuss a solution for the recycling center. She stated that she, Cynthia Niciecki, Foreman Walter Cotier of the DPW, Debbie Kratzer Chair of the Environmental Commission, DPW Supervisor Mark Petro and Recycling Coordinator Lynn Porter all attended the meeting. She explained that Mark Petro will be looking into obtaining quotes for a frame type of roof to cover the recycling bins as well as be attached to the salt building.

4.

The Commission Members suggested that Lynn Porter call to make sure the DPW employees take time each day to crush the items down and pick up anything that has blown out of the recycling bins. Gail Ashley asked who was responsible for the recycling center, and for making sure the bins are emptied and items are crushed down so they do not blow out. Cynthia Niciecki stated that the DPW is responsible for calling the disposal company to pick up and return the empty containers. There was a lengthy discussion of ideas to improve the recycling center. Secretary Keller will pass the suggestions to the Recycling Coordinator. Sandra McNicol stated that they are hoping to put a security camera on the salt building. The Commission suggested making a list of suggestions to be submitted to the recycling coordinator and the DPW to help solve the problem. Cynthia Niciecki read a list of suggestions she wrote up years ago with Elaine Niemann.

Sandra McNicol volunteered to sit at the recycling center from 9:00am to 12:00pm on February 9, 2013 to help the public.

#### **Action Items:**

##### Sustainable Jersey – Update

Tim Cahalan explained that he received an update from Jersey Central Power and Light Company regarding the energy audit, which was the last part of what needed to be included in the report. He noted that the report is complete and he just needs to submit it. He stated that the next step is for someone to come out to do a full energy audit and then the township can apply for sustainable grant funds. He gave a brief overview of the sustainable program for new member Willard Reasoner. There was a discussion on the Sustainable Committee. The Commission would like to find out more about the committee and speak to the contact person so they can schedule meetings.

##### MEL – Update

Chairwoman Debbie Kratzer explained that Elaine Niemann was trying to get someone to come and speak to the Commission. There was a discussion on the quarterly water test report that MEL has done for all the residents in the area of MEL. The Commission explained some background history regarding MEL to new member Willard Reasoner.

##### Driveway Ordinance – Update

5.

Sandra McNicol explained that she and Elaine Niemann reviewed a few more ideas for the ordinance. She stated that they plan on passing on the information to Construction Official and Building Inspector Mark Forniciari for his review.
